WILD CHEF implements a thorough HACCP based deemed Food Control Plan which also ensures that all Gluten-free and Dairy-free products are made under strict procedures to ensure no cross-contamination occurs. To ensure we run an even sharper Allergen Management Plan, every Wild Chef product made on site are Gluten Free (from 19th February 2018) as we have eliminated all gluten containing ingredients and products into our processing facility. Product Specifications are available upon request.

For our full Product Range, please refer to our colour Brochure. Products & Pricing are available from your local Distributor.

As at 20 March 2018 (E&OE)
